

Nominee's Release for President's Community-Engaged Scholar Award

Include this release with nomination materials as described in the Guidelines for the President's Community-Engaged Scholar Award, available from the Office for Public Engagement, 110 Morrill Hall, Minneapolis, MN 55455, or telephone (612) 624-1706.

If you are selected as a recipient of the President's Community-Engaged Scholar Award, your dossier will be available for public review and various University of Minnesota editors may publish information from your dossier in materials regarding the President's Community-Engaged Scholar Award, or to profile your outstanding contributions. Some of the information you are being asked to release may be considered private under the Minnesota Government Data Practices Act. Your signature below will authorize the release of your entire dossier.

_____ I consent to release of the dossier submitted for this award for publication in whole or in part by the University of Minnesota and the University of Minnesota Alumni Association, and to be available for public review at selected University of Minnesota libraries, or other University locations should I be selected as an award winner.
